At Viking, on Sunday night, a couple of box cars were turned over, and on Monday evening two cars were broken up by a rear end collision just south of town. To the Public.

I understand meat has taken a tumble in certain quarters, but when I opened my market it was increasing in price and I am selling meat at the lowest price at which I can live and pay my bills and help. It is rumored over town that the Superior Market is owned by the other market. That is entirely a

mistake; although they did try to hire me, but I refused to accept the position. I have bought lots of goods from the other market since being in business, but am under no obligations to them and they do not even appreciate my trade. I understand they are offering to undersell me on some classes of meat, but I shall stick to my prices, which are close, and continue to give good weight and the best service I can. I am standing on my own bottom and have no connection with any other meat market, but I do not intend to be closed out by a receiver in a price-cutting war.

Any business thrown my way will be appreciated and taken care of in the best manner possible.

Sincerely yours,

JOSEPH POWERS.

The Presbyterian church pays \$75.00 per year, this includes \$50 for janitor service and \$25 for lights. This janitor work was done by Mrs. C. T. McCarty and Mr. A. C. Dittmar, saving thereby \$50 for the Improvement Club.

The Presbyterian church made in our hall this year, by means of a concert and teas, \$143.50.

The Choral Club made \$85.00, turning over \$40.00 as a benefit to Mr. Gunst.

The Episcopal church bazaar and teas cleared \$261.23.

The Methodist pillau supper brought in \$80.00.

The total amount thus made in our hall by our local churches is \$569.73.

The Board of Trade, with a view to promoting sociability among our citizens, held a banquet April 6, 1911, and paid Mrs. C. T. McCarty \$25.00 for serving same, which was turned into the Improvement Club.

Mrs. D. T. McCarty and Mrs. R. Whyte turned in \$15.58, proceeds from calendar.

The printing for the year, including the \$3.75 deficit from last year's printing, amounted to \$16.25, and we are very grateful to the Fort Pierce News and the St. Lucie County Tribune for their generous helpfulness throughout our entire year's work.

Let me say in conclusion that this amount of work could not have been accomplished without the co-operation of our people, and that we have succeeded so far beyond our expectations is due, we realize, not only to our own efforts, but to the cheerful and whole-souled assistance of the entire community.

It is a matter for further congratulation, we think, that we have afforded our people, young and old, clean, wholesome and uplifting entertainment throughout our incumbency.

The total amount handled through this building this year for all purposes is \$2372.70.
